Special Announcement! IPHF and ATTA Merge

Dear Paso Enthusiast,

The officers of IPHF and the directors of ATTA are pleased to announce the merger of IPHF and ATTA. This move marks the consolidation of the international heritage and the history of the Paso Show Horse - Paso Fino, Trote y Galope, Puro Trocha, and Trocha y Galope.

ATTA will continue to register the diagonal horses and IPHF will continue to showcase Trote y Galope, Puro Trocha, and Trocha & Galope horses at IPHF shows and events. ATTA memberships will be converted to IPHF memberships through expiration. Look for changes to the IPHF website coming soon.

This consolidation will unify our continuing efforts to promote all modalities of the Paso Show horses. We demonstrated our commitment to this effort at our first US Championship show in Jacksonville in November 2008 with the inclusion of exciting diagonal classes. It has continued with the flawless presentation of Antanas Mockus by Jorge Suarez at the Citrus Bowl parade, Diego Bravo's demonstration at Ocala HITS, various exhibitions, and most recently with Glenna Struther's crowd pleasing demos at the IPHF-Startown Show in Charlotte, N.C.

We invite the world to our next show -- our most exciting event so far -- THE US TRIALS/PREUBAS ESTADO UNIDOS PARA LA MUNDIAL DE CONFEPASO 2009, an IPHF show in Miami, Florida during Labor Day Weekend. The arena setup will duplicate the one to be used at the 2009 Mundial Competition in Pereira, Colombia, S.A. The horses will go through the Prepista as required under IPHF rules and will be counseled, if necessary, on compliance with the pre-class Confepaso requirements and will be judged by internationally certified judges using the IPHF five judge system.

IPHF is moving forward. If you are not a member, we encourage you to join us. If you are a member, thank you for your support and look forward to seeing you at THE US TRIALS/PREUBAS ESTADO UNIDOS PARA LA MUNDIAL DE CONFEPASO 2009.

Sincerely,

Marcia Davis

President, International Paso Horse Federation, Inc.

Pruebas Estado Unidos Para La Mundial de Confepaso 2009

Miami, Florida September 4-6, 2009

An opportunity to prepare for the 2009 Mundial Competition in Pereira, Colombia and the 2010 Youth Mundial in Puerto Rico

IPHF welcomes the world to this one-of-a-kind event-- the best horses in the United States will compete in a replica of the arena to be used at the 2009 Mundial Competition. IPHF's popular **PRIME TIME** scheduling will assure that true Paso aficionados and spectators alike will be treated to the best of the Paso Fino, Puro Trocha, Trote & Galope, and Trocha & Galope horses in the United States.

Youth riders will be judged in a Confepaso Youth Mundial style and will be asked to perform the requirements of the Confepaso Youth Riders' Rules. <http://tinyurl.com/kvcqto>

The non-pros (NP on schedule below) will compete in a tailored down regular schedule featuring pleasure, performance, and fino while the Professional riders will compete only in the Fino and diagonal classes. The Non-pro schooling open classes will feature fillies, colts and geldings which will be combined. Boys and girls in equitation will compete in the arena together but will be judged separately.

Join us for this exciting new competition!
